

**Missions Update:**

From Jon and Elaine Winter – serving in Japan

Discovering Jesus Christ in community is our vision for ministry here. Unfortunately in family life group, community was not functioning as it seemed to be. Just under the surface, problems between our two main families got to the point that one of them decided to leave. We told you back in April how that left us hurt and wondering about the future. Accumulation of stress from various circumstances brought on what we see in hindsight was burnout.

We appreciate how you can along side us to provide extremely timely help with Reresh!, a renewal program in Chianmai. During that time of retreat, we examined our gifts and experience, praying about how God would have us continue ministry in Japan. As we talked and prayed during Refresh!, we realized that it was time to bring to close what we had been pouring our lives into for eight years.

It has been very painful letting go, but we acknowledge that we have been part of an amazing privilege, helping people discover Jesus together in loving community. During this time we have been blessed with a leadership team in SEND that has cleared time for us to heal and recover.

Helping Japanese people discover Jesus in community continues to be our passion. We know that God's plan for us is perfect and that he has something good for us as a new main assignment here in Japan. (There are a couple of paths in front of us but its too early to tell you about them yet.)

Thank you for continuing to pray for God's leading as we head into a new chapter of ministry here in Japan. Thank you for your faithful encouragement, prayer and partnership with us here in what God is doing in Japan.
