Board Elders' Communication Connection

The board of elders is asking for your honest feedback. They realize this will require a high degree of trust, both from you and for them. They commit to humbly addressing all feedback they receive.

Use the wooden box in the church foyer and the paper provided to voice your opinions, questions, comments, or concerns. Be sure to include your name and contact information so the elders can follow up with you. All feedback will be evaluated and considered at future elders' board meetings.
