## **Ukraine Refugee Crisis**

On February 24, 2022, the Russian military launched attacks across Ukraine, triggering a huge wave of civilians fleeing their homes. We have all been following the unfolding crisis in Ukraine with great concern. The invasion of this sovereign state has already inflicted enormous pain, suffering, and death. The ripple effects are being felt throughout the region and beyond.

### **The Response**

Currently, FAIR is working with our Fellowship International missionaries in Poland, Pierre and Hanna Jutras and Ben and Krista Taylor, along with their local church communities, to provide care and support to Ukrainian refugees.

Funds received for the *Ukraine Refugee Crisis* appeal will be used by Fellowship International team members and FAIR partners in Poland as they seek to provide for the needs of refugees who have fled their homes.

Would you prayerfully consider how the Lord is calling you to respond?

## **Coming Up**

We, as a congregation, will once again be making one of the most important decisions for this church. Pastor Dave and the Pastoral Search Team have been working diligently to create a profile for our next Lead Pastor. They have compiled the most important attributes and requirements we might be looking for into a survey. Next week, you will be given an opportunity to participate. Let our Pastoral Search Team know what is important to you by completing the survey they created. Look for a link in our next eNews or pick up a hard copy from the church office after March Break.
