Serving Opportunities

Kids Worship Program
Nursery and Grades 1-5

We are looking for several friendly and reliable Sunday School teachers and teachers' assistants to join our Kids Worship Program team. If you are in Grade 8 or older and love teaching/interacting with children, please consider serving in this ministry.

Teachers' responsibilities include teaching, following the lesson plan laid out by *The Gospel Project*, and creating crafts for the children. Please note: Church membership is required for this volunteer position.

Teacher's assistant duties for the Nursery include responsible care of infant to 24-month-old children alongside an adult leader. Grades 1-5 classroom responsibilities include helping the teacher manage the classroom and helping students with their Sunday School lessons and crafts. If you feel called to serve in this ministry, contact the church office @ 519-633-4131 during office hours.

Christian Salvage Mission (CSM)

CSM Canada, Inc. provides evangelical Christian and educational materials at no cost to organizations and people groups who would otherwise not have access to them. All materials collected by CSM. are received by donation. Participating churches (such as Eastwood) collect new and gently used books and other Christian ligatures for CSM. CSM then ships the collected materials overseas and distributes them to churches and learning centres in developing countries.

As of late, we have received many materials not accepted by CSM for distribution, creating extra work for our volunteers, as they need to be re-donated or recycled. To eliminate this issue, please pick up a list of acceptable items to donate at the Welcome Centre on Sunday mornings or at the church office during the week.
