

## Updates

### Sound System Upgrade

"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver" (2 Corinthian 9:7).

Our fundraiser for the sound system upgrade has officially ended. Through your generosity, we were able to raise \$15,115.00 for the upgrade. Praise the Lord! Thanks to those of you who contributed to this fundraising campaign. We're about halfway through the installation. The new soundboard, subwoofer, and on-stage monitors are all connected. The only thing left to install are the acoustic panels on the walls to dampen the echo. We are looking to have those installed on a Saturday in mid-August. When the time comes, we will ask for some volunteer help. The more volunteers we have, the faster the installation will go. Please stay tuned for more details. Once again, I thank God for your generosity. We received more than we expected. This will be a tremendous help in covering the costs. May Eastwood Baptist Church be a place where Christ is proclaimed faithfully and clearly for all to hear.

With love for you all,

Pastor Steve Kim
