

Men's and Women's Book Study

We're excited to announce that we will now have a midweek gathering for both the men and women of the church. In order to accommodate this, the men and women will meet on alternate weeks. Meetings will take place in the Chapel.

Our book studies will continue in a small group format. The men's study will be led by the men's ministry team, while the women's ministry team will lead the women's study. If you'd like to join us, please register at the Welcome Centre.

The books will be \$10 each. We will have limited copies available and will prioritize those attending the study. Please let us know upon registration whether you plan to attend or purchase the book only. We can order additional copies if needed. If money is a concern, please speak directly to Pastor Steve Kim or Jessica Wiltsie.
