UPDATES

Sunday Morning Child Care Registration

Starting Sunday, March 3, all children attending the JK-Grade 1 program must be signed in by a parent/caregiver at the Welcome Centre prior to the service. Each child will be assigned a number, which will be given to the parent/caregiver upon registration. This is to ensure a safe transition of children to and from their classroom and also to establish a method of contact during the service. If a parent/caregiver is needed in the classroom, the child's number will be displayed above the projection screen in the sanctuary. If you see your child's number displayed, please make your way to the classroom immediately.

Also, please keep in mind that at pickup time, all children will only be released to a parent or adult caregiver with the assigned number bracelet.
