

## **We exist to see God glorify Himself.**

(Eastwood's Mission, Part 1)

## **My Notes:**

God's mission is to \_\_\_\_\_.

*(Numbers 14:21; Habakkuk 2:14; Isaiah 43:6-7; 1 Peter 4:10-11)*

The glory of God is the \_\_\_\_\_ of His holiness, or  
in other words, the display of His absolute \_\_\_\_\_.

God unapologetically seeks His own glory.

*(Isaiah 42:8; 48:9-11)*

It is \_\_\_\_\_ for God to seek His own glory, because all  
glory \_\_\_\_\_ to God.

*(1 Peter 4:10-11; 1 Chronicles 29:11-13; Revelation 4:11)*

God is calling \_\_\_\_\_ to be a part of His glorious mission.

God's Creation, Salvation, Sanctification, Judgement, and  
Common Grace are all ways in which He glorifies Himself.

*(Psalm 19:1; John 12:27-28; Revelation 19:1-2; Matthew 5:45)*

God's mission to glorify Himself goes far beyond Eastwood;  
we're a part of something far greater and more glorious than  
ourselves!

We exist to see God glorify Himself: we long to be a \_\_\_\_\_  
of God glorifying Himself, but we can't do it on our own.
